A DICTIONARY OF THE ECONOMIC PRODUCTS OF INDIA.

By DR. GEO. WATT, C.I.E.,

Reporter on Economic Products.

The first five volumes and Vol. VI, Parts I, II, III & IV of the Dictionary are ready at the Office of the Superintendent of Government Printing, No. 8, Hastings Street, Calcutta, and will be supplied to non-subscribers on receipt of the price for the complete set, which is Rs. 45 in India, and 3 guineas in England (exclusive of the Index, for which a separate charge will be made): packing and postage, in India, 8 annas per volume; for England, Rs. 2-6 per volume. For copies bound in half calf or half morocco, Rs. 6 and 8 shillings, respectively, will be charged extra for the whole set.

The Dictionary is intended to deal with the products of India—animal, vegetable, and mineral; each product being treated after a uniform plan, the paragraphs of which give the scientific, vernacular, and European names; habitat or source; history; properties and uses (both chemical and industrial); trade statistics; markets, &c. The work is arranged alphabetically according to scientific nomenclature, but commercial and important vernacular names are also given as cross-references, so that little difficulty need be experienced in finding the account of a product, even when its scientific name is unknown to the reader.

An important feature of the Dictionary consists in the fact that derived information is in every instance given under quotation marks, and with a reference to the original publication. Numerous contributors have, however, furnished the results of new discoveries and confirmed the vernacular names, so that the Dictionary is not only a complete compilation of published information, but has been brought abreast of the most recent inventions and discoveries.

Volume I contains the letters A and B, and consists of 559 royal 8vo. pages; Vol. II embraces the letter C in 689 pages; Vol. III contains the letters D, E, F and half of G; Vol. IV latter half of G to middle of L; and Vol. V contains the latter half of L to end of O; Vol. VI (which consists of four parts), Part I, contains letters P to R. The whole work completed in nine volumes (including Parts II to IV of Vol. VI); but a tenth volume has been issued, consisting of an Index to all the vernacular and other names contained in the Dictionary. The Index is practically a Glossary of the Vernacular and European names of the plants, animals, and minerals of India, and, as such, is a work of reference, which, it is hoped, will prove of considerable value.

Index to ditto ditto, 8vo. Rs. 2. (4a.)

2. The debentures will have a currency of (10) ten years, from the 1st July, and will bear interest at the rate of 4 per cent. per annum, payable on the 1st July and the 1st January of each year.

3. The form of the debentures will be that given in the Sixth Schedule of Act III (B.C.) of 1899.

4. No debentures will be issued for any sum less than Rs. 500, and above that amount debentures will be issued only for multiples of Rs. 100.

5. Tenders for the whole or any part of the above loan of Rs. 2,25,000 will be received by the Secretary to the Corporation up to 2 o'clock p.m. on Saturday, the 12th May 1900.

6. Each tender must be made out in the form annexed to this Notification and enclosed in a sealed cover addressed to the Secretary to the Corporation and superscribed "Tender for Municipal Loan of 1900-1901."

7. Each tender must be accompanied by an earnest deposit in Government promissory notes, Calcutta municipal debentures, currency notes or cheques for not less than 3 per cent. of the amount tendered.

8. When a tender is accepted, the earnest deposit, when made in currency notes or cheques, will be held as a payment in part of the amount tendered, and will bear interest at the rate of 4 per cent. per annum from the date of acceptance of the tender, provided that the whole amount tendered is paid up in the manner herein-after prescribed; but no debenture will issue for the amount of the earnest deposit so long as the entire amount of the tender is not paid, but debentures may be issued for each instalment paid in full, the earnest deposit not being included in any but the last instalment.

Ditto II. Ditto 30 % ditto 8th June 1900.

Ditto III. Ditto 30 %* ditto 22nd June 1900.
